Before the screening day applicant must have carried out all the listed steps

6

If you do not already have Zoom installed on your computer, follow the prompts to download and run Zoom. Click on the download file if it does not open automatically and follow the computer prompts to install.

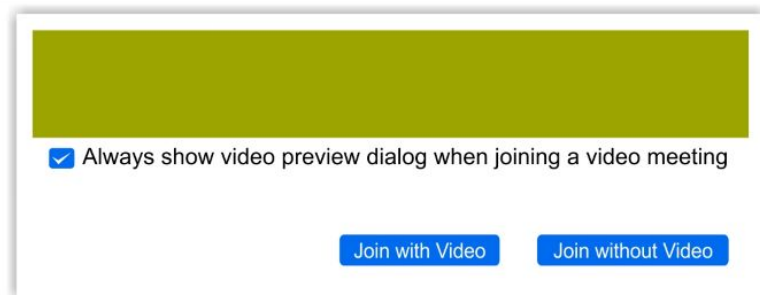

7

Once Zoom is installed, it will open the Zoom window, click open link

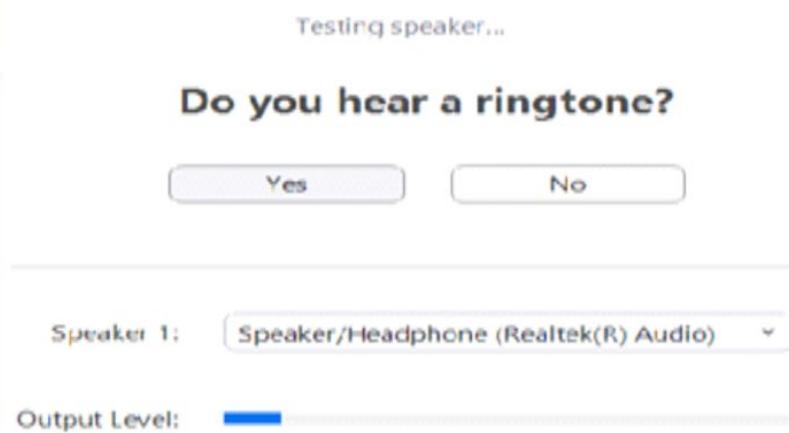

8

Click on join with video

9

You will then have the option to Join the Audio Conference by the Computer. If this is your first time joining a Zoom meeting, we recommend choosing the option Test your Computer Speaker and Microphone by following the prompted steps

10

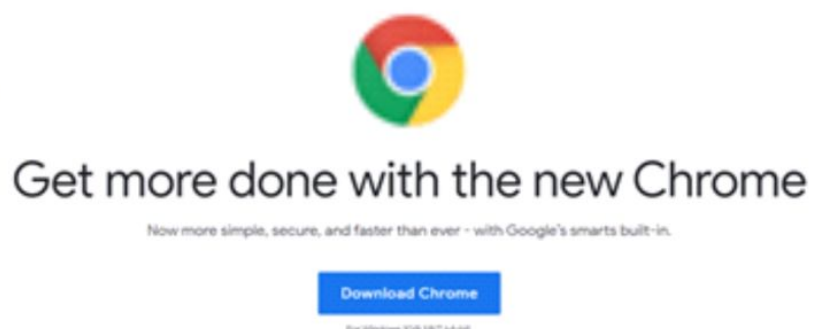

After the test click on join with computer audio.

Join with Computer Audio

Test Speaker and Microphone

11

The recommended browser for this exam is google chrome, click on [this link to download](#)
